Major Changes

There is no major change.

What I Have Accomplished Since My Last Meeting

I have annotated the file system library of Wyvern programming language and noticed that there can be a huge reduction on amount of effect annotations.

Meeting My Milestones

I have met my milestone in the project.

Surprises

There was no major surprise in my project since my last bi-weekly meeting.

Looking Ahead

I plan to further include other modules in Wyvern standard library to evaluate the impact of the effect system, and collect quantitative data on effect annotations.

Revisions to Your Future Milestones

There is no revision to my future milestones.

Resources Needed

Yes, I have all the resource needed to complete this project.
